2.3 We will review and update this policy periodically in accordance with our data protection obligations. It does not form part of any employee's contract of employment and we may amend, update or supplement it from time to time. We will circulate any new or modified policy to staff when it is adopted.

3.1.2 "data breach" means a breach of security leading to the accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to, personal information;

3.1.3 "personal information" (sometimes known as personal data) means information relating to an individual who can be identified (directly or indirectly) from that information;

3.1.4 "processing personal information" means obtaining, recording, organising, storing, amending, retrieving, disclosing and/or destroying information, or using or doing anything with it;

3.1.5 "pseudonymised" means the process by which personal information is processed in such a way that it cannot be used to identify an individual without the use of additional information, which is kept separately and subject to technical and organisational measures to ensure that the personal information cannot be attributed to an identifiable individual;

#### **4 Data protection principles**

4.1 The Academy Trust will comply with the following data protection principles when processing personal information:

4.1.1 we will process personal information lawfully, fairly and in a transparent manner;

4.1.2 we will collect personal information for specified, explicit and legitimate purposes only, and will not process it in a way that is incompatible with those legitimate purposes;

4.1.3 we will only process the personal information that is adequate, relevant and necessary for the relevant purposes;

4.1.4 we will keep personal information accurate and up to date, and take reasonable steps to ensure that inaccurate personal information are deleted or corrected without delay;

4.1.5 we will keep personal information for no longer than is necessary for the purposes for which the information is processed; and

4.1.6 we will take appropriate technical and organisational measures to ensure that personal information is kept secure and protected against unauthorised or unlawful processing, and against accidental loss, destruction or damage.

## **5 Basis for processing personal information**

5.1 In relation to any processing activity we will, before the processing starts for the first time (if it has not already started), and then regularly while it continues:

5.1.1 review the purposes of the particular processing activity, and select the most appropriate lawful basis (or bases) for that processing, i.e.:

- (a) that the data subject has consented to the processing;
- (b) that the processing is necessary for the performance of a contract to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract;
- (c) that the processing is necessary for compliance with a legal obligation to which the Academy Trust is subject;
- (d) that the processing is necessary for the protection of the vital interests of the data subject or another natural person;
- (e) that the processing is necessary for the performance of a task carried out in the public interest or exercise of official authority; and/or
- (f) that the processing is necessary for the purposes of legitimate interests of the Academy Trust or a third party, except where those interests are overridden by the interests of fundamental rights and freedoms of the data subject —see clause 5.2 below.

5.1.2 except where the processing is based on consent, satisfy ourselves that the processing is necessary for the purpose of the relevant lawful basis (i.e. that there is no other reasonable way to achieve that purpose);

5.1.3 document our decision as to which lawful basis applies, to help demonstrate our compliance with the data protection principles;

5.1.4 include information about both the purposes of the processing and the lawful basis for it in our relevant privacy notices;

5.1.5 where sensitive personal information is processed, also identify a condition for processing that information (see paragraph 6.2.2 below), and document it; and

5.1.6 where criminal offence information is processed, also identify a condition for processing that information (see paragraph 7.2.2 below), and document it.

5.2 When determining whether the Academy Trust's legitimate interests are the most appropriate basis for lawful processing, we will:

5.2.1 conduct a legitimate interests assessment (LIA) and keep a record of it, to ensure that we can justify our decision;

5.2.2 if the LIA identifies a significant privacy impact, consider whether we also need to conduct a data protection impact assessment (DPIA);

5.2.3 keep the LIA under review, and repeat it if circumstances change; and

5.2.4 include information about our legitimate interests in our relevant privacy notice(s).

## **6 Sensitive personal information**

6.1 The Academy Trust may from time to time need to process sensitive personal information.

6.2 We will only process sensitive personal information if:

6.2.1 we have a lawful basis for doing so as set out in paragraph 5.1.1 above, e.g. it is necessary for the performance of the employment contract, to comply with the Academy Trust's legal obligations or for the purposes of the Academy Trust's legitimate interests; and

6.2.2 one of the conditions for processing sensitive personal information applies, e.g.:

(a) the individual has given explicit consent;

6.4 Before processing any sensitive personal information of a type or for a purpose not referred to in the Academy Trust's relevant data protection privacy notice, staff must notify the data protection officer of the proposed processing, in order that the data protection officer may assess whether the processing complies with the criteria noted above.

6.5 Processing of sensitive personal information of a type or for a purpose not referred to in the Academy Trust's data protection privacy notices will not occur until:

6.5.1 the assessment referred to in paragraph 6.4 has taken place; and

6.5.2 the individual has been properly informed (by way of a privacy notice or otherwise) of the nature of the processing, the purposes for which it is being carried out and the legal basis for it.

6.6 The Academy Trust will not carry out automated decision-making based on any individual's sensitive personal information.

6.7 In relation to sensitive personal information, the Academy Trust's procedures to ensure compliance with the data protection principles set out in paragraph 4 above include the following set out in paragraphs 6.11 to 6.12 below.

7.1 We process criminal records information about directors, trustees, governors, staff, parents, next of kin, family members, volunteers and visitors to comply with our legal obligations.

7.2 We will only process criminal records information if:

7.2.1 we have a lawful basis for doing so as set out in paragraph 5.1.1 above, e.g. to comply with the Academy Trust's legal obligations, where it is necessary for performance of a public interest task, or for the purposes of the Academy Trust's legitimate interests; and

7.2.2 one of the conditions for processing criminal records applies, e.g.:

7.5 Processing of criminal records information for a purpose not referred to in the Academy Trust's privacy notices will not occur until:

7.5.1 the assessment referred to in paragraph 7.4 has taken place; and

7.7 Staff members are required to take particular care in relation to their processing of criminal records information.

7.8 All criminal records information must be retained and disposed of in accordance with the Academy Trust's specified retention periods.

## **8 Data protection impact assessments (DPIAs)**

8.1 Where processing is likely to result in a high risk to an individual's data protection rights (e.g. where the Academy Trust is planning to use a new form of technology), we will, before commencing the processing, carry out a DPIA to assess:

8.1.1 whether the processing is necessary and proportionate in relation to its purpose;

8.1.2 the risks to individuals; and

8.1.3 what measures can be put in place to address those risks and protect personal information.

8.2 Before any new form of technology is introduced, the manager responsible should therefore contact the data protection officer in order to assess whether a DPIA is required.

8.3 During the course of any DPIA, the Academy Trust will seek the advice of the data protection officer and, where appropriate, the views of affected individuals.

## **9 Documentation and records**

9.1 We will keep written records of processing activities to the extent required by data protection law, including:

- 9.1.1 the name and details of the Academy Trust (and where applicable, of other controllers, the Academy Trust's representative and data protection officer);

  - 9.2.5 DPIAs; and
  - 9.2.6 records of data breaches.
- 9.3 If we process sensitive personal information or criminal records information, we will keep written records of:
- 9.3.1 the relevant purpose(s) for which the processing takes place, including (where required) why it is necessary for that purpose;
  - 9.3.2 the lawful basis and condition for our processing; and
  - 9.3.3 whether we retain and erase the personal information in accordance with our policy document and, if not, the reasons for not following our policy.
- 9.4 We will conduct regular reviews of the personal information we process and update our documentation accordingly. This may include:
- 9.4.1 updating our information audits to find out what personal information the Academy Trust holds;
  - 9.4.2 distributing questionnaires and talking to staff across the Academy Trust to get a more complete picture of our processing activities; and

9.4.3 reviewing our policies, procedures, contracts and agreements to address areas such as retention, security and data sharing.

9.5 We document our processing activities in electronic form so we can add, remove and amend information easily.

## **10 Privacy notice**

10.1 The Academy Trust will issue privacy notices from time to time, informing individuals about the personal information that we collect and hold relating to them, how they can expect their personal information to be used and for what purposes.

10.2 We will take appropriate measures to provide information in privacy notices in a concise, transparent, intelligible and easily accessible form, using clear and plain language.

## **11 Individual rights**

11.1 Individuals have the following rights in relation to their personal information:

11.1.1 to be informed about how, why and on what basis that information is processed—see the Academy Trust’s data protection privacy notices;

11.1.2 to obtain confirmation that their information is being processed and to obtain access to it and certain other information, by making a subject access request;

11.1.3 to have data corrected if it is inaccurate or incomplete;

11.1.4 to have data erased if it is no longer necessary for the purpose for which it was originally collected/processed, or if there are no overriding legitimate grounds for the processing (this is sometimes known as ‘the right to be forgotten’);

11.1.5 to restrict the processing of personal information where the accuracy of the information is contested, or the processing is unlawful (but they do not want the data to be erased), or where the Academy Trust no longer needs the personal information but the individual requires the data to establish, exercise or defend a legal claim; and

11.1.6 to restrict the processing of personal information temporarily where they do not think it is accurate (and the Academy Trust is verifying whether it is accurate), or where they have objected to the processing (and the Academy Trust is considering whether its legitimate interests override the individual's interests).

11.2 Individuals wishing to exercise any of the rights in paragraphs 11.1.2 to 11.1.6, should contact [the data protection officer. Any staff member who receives a request from

an individual to exercise these rights must immediately refer it to the data protection officer.

## **12 Individual obligations**

12.1 Individuals are responsible for helping the Academy Trust keep their personal information up to date. They should let the HR department know if the information they have provided to the Academy Trust changes, for example if they move house or change details of the bank or building society account to which they are paid.

12.2 Some staff members will have access to the personal information of other individuals in the course of their employment or engagement. If so, the Academy Trust expects them to help meet its data protection obligations to those individuals.

12.3 Staff members who have access to personal information must:

12.3.1 only access the personal information that they have authority to access, and only for authorised purposes;

12.3.2 only allow individuals who are not staff to access personal information with specific authority to do so from the data protection officer;

12.3.3 keep personal information secure (e.g. by complying with rules on access to premises, computer access, password protection and secure file storage and destruction and other precautions communicated by the Academy Trust);

12.3.4 not remove personal information, or devices containing personal information (or which can be used to access it), from the Academy Trust's premises unless appropriate security measures are in place (such as pseudonymisation, encryption or password protection) to secure the information and the device; and

12.3.5 not store personal information on local drives or on personal devices that are used for work purposes.

12.4 Staff should contact the data protection officer if they are concerned or suspect that one of the following has taken place (or is taking place or likely to take place):

12.4.1 processing of personal information without a lawful basis for its processing or, in the case of sensitive personal information or criminal records information, without one of the conditions in paragraph 6.2.2 or 7.2.2 being met;

12.4.2 any data breach as set out in paragraph 15.1 below;

12.4.3 access to personal information without the proper authorisation;

12.4.4 personal information not kept or deleted securely;

12.4.5 removal of personal information, or devices containing personal information (or which can be used to access it), from the Academy Trust's premises without appropriate security measures being in place;

12.4.6 any other breach of this policy or of any of the data protection principles set out in paragraph 4.1 above.

### **13 Information security**

13.1 The Academy Trust will use appropriate technical and organisational measures to keep personal information secure, and in particular to protect against unauthorised or unlawful processing and against accidental loss, destruction or damage. These may include:

13.1.1 making sure that, where possible, personal information is 'pseudonymised,' or encrypted;

13.1.2 ensuring the ongoing confidentiality, integrity, availability and resilience of processing systems and services;

13.1.3 ensuring that, in the event of a physical or technical incident, availability and access to personal information can be restored in a timely manner; and

13.1.4 a process for regularly testing, assessing and evaluating the effectiveness of technical and organisational measures for ensuring the security of the processing.

13.2 Where the Academy Trust uses external organisations to process personal information on its behalf (so that those organisations are processors as defined in applicable data protection laws), additional security arrangements need to be implemented in contracts with those organisations to safeguard the security of personal information. In particular, contracts with external organisations must provide that:

13.2.1 the organisation may act only on the written instructions of the Academy Trust;

13.2.2 those processing the data are subject to a duty of confidence;

13.2.3 appropriate measures are taken to ensure the security of processing;

13.2.4 sub-processors are only engaged with the prior consent of the Academy Trust and under a written contract;

13.2.5 the organisation will assist the Academy Trust in providing subject access and allowing individuals to exercise their rights in relation to data protection;

13.2.6 the organisation will assist the Academy Trust in meeting its obligations in relation to the security of processing, the notification of data breaches and data protection impact assessments;

13.2.7 the organisation will delete or return all personal information to the Academy Trust as requested at the end of the contract; and

13.2.8 the organisation will submit to audits and inspections, provide the Academy Trust with whatever information it needs to ensure that they are both meeting their data protection obligations, and tell the Academy Trust immediately if it is asked to do something infringing data protection law.

13.3 Before any new agreement involving the processing of personal information by an external organisation is entered into, or an existing agreement is altered, the relevant staff must seek approval of its terms by the data protection officer.

## 14 Storage and retention of personal information

14.1 Personal information (and sensitive personal information and criminal records information) will be kept securely in accordance with:

- The IMRS Toolkit for Schools
- Saturn Education Trust Finance Policy
- DCC (Dorset County Council) Data Retention Policy.

14.2 Personal information (and sensitive personal information and criminal records information) should not be retained for any longer than necessary. The length of time over which data should be retained will depend upon the circumstances, including the reasons why the personal information was obtained. Staff should adhere to the Academy Trust's specified retention periods, or the criteria that should be used to determine them. Where there is any uncertainty, staff should consult the data protection officer.

14.3 Personal information (and sensitive personal information and criminal records information) that is no longer required will be deleted permanently from our information systems and any hard copies will be destroyed securely.

## 15 Data breaches

15.1 A data breach may take many different forms, for example:

15.1.1 loss or theft of data or equipment on which personal information is stored;

15.1.2 unauthorised access to or use of personal information either by a member of staff or third party;

15.1.3 loss of data resulting from an equipment or systems (including hardware and software) failure;

15.1.4 human error, such as accidental deletion or alteration of data;

15.1.5 unforeseen circumstances, such as a fire or flood;

15.1.6 deliberate attacks on IT systems, such as hacking, viruses or phishing scams; and

15.1.7 'blagging' offences, where information is obtained by deceiving the organisation which holds it.

15.2 The Academy Trust will:

15.2.1 make the required report of a data breach to the Information Commissioner's Office without undue delay and, where possible within 72 hours of becoming aware of it, if it is likely to result in a risk to the rights and freedoms of individuals; and

15.2.2 notify the affected individuals if a data breach is likely to result in a high risk to their rights and freedoms and notification is required by law.

## **16 International transfers**

16.1 The Academy Trust may transfer personal information outside the European Economic Area (EEA) (which comprises the countries in the European Union and Iceland, Liechtenstein and Norway) to Australia and the United States of America on the basis [that that country, territory or organisation is designated as having an adequate level of protection OR that the organisation receiving the information has provided adequate safeguards by way of [binding corporate rules OR standard data protection clauses OR of compliance with an approved code of conduct.

## **17 Training**

The Academy Trust will ensure that staff are adequately trained regarding their data protection responsibilities. Individuals whose roles require regular access to personal information, or who are responsible for implementing this policy or responding to subject access requests under this policy, will receive additional training to help them understand their duties and how to comply with them.

## **18 Consequences of failing to comply**

18.1 The Academy Trust takes compliance with this policy very seriously. Failure to comply with the policy:

18.1.1 puts at risk the individuals whose personal information is being processed; and

18.1.2 carries the risk of significant civil and criminal sanctions for the individual and the Academy Trust; and

18.1.3 may, in some circumstances, amount to a criminal offence by the individual.

18.2 Because of the importance of this policy, an employee's failure to comply with any requirement of it may lead to disciplinary action under the Academy Trust Disciplinary Procedure, and this action may result in dismissal for gross misconduct. If a non-employee breaches this policy, they may have their contract terminated with immediate effect.

18.3 If you have any questions or concerns about anything in this policy, do not hesitate to contact the data protection officer.
